

ADMISSION TEST REGISTRATION

TATNALL, SANFORD, TOWER HILL AND WILMINGTON FRIENDS

For Academic Year 2010-2011
Admission to Grades 6 through 12

Group admission testing sessions will be held for applicants to Tatnall, Wilmington Friends, Sanford, and Tower Hill Schools on the dates listed below. Applicants to one or more of these schools may take the admission test at any of the test sites on any of the dates listed. Parents may indicate to which school(s) the test results should be sent.

Tatnall, Wilmington Friends, Sanford, and Tower Hill Schools use the ERB IV standardized achievement test for admission. Parents will receive a copy of the test results, as will the designated school(s).

If applicants have completed ERB IV testing within the last academic year, they may not need to register for testing. Parents should check with the school(s) to which they are applying to confirm test requirements. Students who have documented need for extra time on standardized tests should contact the school(s) to which they are applying to schedule admission testing.

The cost is \$25.00 per student, payable in advance with the completed registration form. Please return the registration form with the check to the testing school's Admission Office no later than one week before the test.

Make the check payable to the school administering the test.

Late registrants should call the school administering the test no later than one day before the test date to register by telephone. The check and registration form must then be presented on the day of testing before the student will be allowed to take the test.
